Looking for ideas for something old, something new, something borrowed, something blue.

I have had the pleasure of working with Priscille from Creative Expressions by Priscille for my wedding save the dates, invites, and favors. She went above and beyond in making sure I was happy with every little detail in the invitations and save the dates. She is timely and efficient in what she does. I would recommend her to anyone! - Jessica Demers

"I recently ordered custom sweatshirts from Creative Expressions by Priscille for my team, Pepere's Bunch, for when we walked for MS in Newburyport. I am very satisfied with the service, the quality and the price. The shirts are made from good material, well printed, and were delivered exactly when I needed them. Priscille and Rick were very kind and helped me through the whole ordering process. I will definitely be ordering from them again next year when my team and I do our walk for MS again."
